AFTER THE SHOT

LOGISTICS & TAXIDERMY PROCESS

Step-by-step...

First Steps **Getting the trophy to First Class Trophy Taxidermy**

- The hunting guide tags the trophy with the hunter's name and reference number. The hunter and the hunting guide fill out the order form manually, which is then signed by the hunter.
- The hunting guide, outfitter or booking agent emails the order form to: office@firstclasstrophy.com
- First Class Trophy creates the order in the ERP system. The hunter gets a login to First Class Trophy's Order and Production web based portal, where the hunter can "Track & Trace" the order progress, logistic and production stages.
- Dip & Pack" work (cleaning of skull and salting of skin) will be done by a local taxidermist in the country of hunting. The client pay the cost for this service direct to outfitter in the country of hunting.
- The outfitter / hunting organizer will arrange "Packing & Crating", export documentation & permits and airfreight to Europe. The client pay directly for this services in country of hunting (to outfitter or shipping agent).
- **The hunter pays 50% deposit of the total order.**
- Thereafter the trophy will be transported to First Class Trophy's workshop.

We usually receive the trophies 5-7 months after the hunting safari.

Following Steps **Taxidermy work**

- The taxidermy work will start. The hunter will be updated with progress by email notification and can also log-in to check order status at any time.
- 2 weeks before the taxidermy work is finished, the 50% balance must be paid (the hunter will be notified in this regard by FirstClass Trophy)

Final Steps **Getting the trophies back home to the hunter**

- When First Class Trophy has received the balance payment, the packing and crating will take place
- The hunter must confirm the delivery address and thereafter the trophy will be shipped to the hunter's address if the hunter lives in an EU country or to a preferred incoming broker if the hunter lives outside EU (USA, CANADA, NORWAY, SWITZERLAND etc.)
- The receiver (hunter or incoming broker) will be notified regarding the delivery date

Processing time:

The taxidermy work normally takes 6-9 months from the date we receive the trophy and deposit has been paid.
